Art Unit: 2611

1. The reply filed on 8/14/03 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): applicant added new claims 8-15 but did not address them as required by 37 CFR 1.111 and 1.119. Rule 111(b) requires that the applicant *must* present arguments pointing out the specific distinctions believed to render the claims, *including newly presented claims*, patentable over any applied references.

Rule 111(b) continues to by saying a general allegation that the claims define a patentable invention without specifically pointing out how the language of the claims patentably distinguishes them from the references does not comply with the requirements of this section. Applicant hasn't even provided this statement.

Rule 111 (c) is similar to rule 111(b). Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. **EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).**
